Buy Adoption: Global Perspective and Ethical Issues Book ...

All actions and payments by parties to the adoption must be legal and ethical. To ensure ethical practice, the following principles should guide all adoptions—including those made by agencies and those arranged independently: The primary focus in adoption should be the child’s or youth’s needs (rather than the needs of the adults or parents).

Ethics in Adoption

This compendium of twelve papers addresses the key issues pertaining to child adoption in global perspective. It deals with issues related to construction of childhood, basic nature of child, effects of institutional living on attachment, and the rights of children. Focusing on open adoption and transnational adoption, the contributors also deliberate on ethical issues and safeguards in ...

Adoption Global Perspective And Ethical Issues 1st Published

The issues during an adoption can range from ethical, moral, to legal issues. One might think there could be many legal issues when it comes to an adoption, but not many may think of the ethical and moral issues that can come about in the adoption process. Ethical issues can arise in the post adoption process by the way of wrongful adoption liability.
