Broken Silence is the second in a series by accomplished crime writer Liz Mistry featuring OS Nikita Parekh (Nikki). Having read the first book, Last Request last year, I was thrilled to discover that this one was due to be published so I jumped at the opportunity to read it!

Broken Silence (OS Nikki Parekh, Book 2) by Liz Mistry
Where Silence had been the enigma, Oakleys silence and the mysteries behind it being the main focus of the book, Broken Silence handled the fall out superbly. All the emotions that the family felt during the stress of the trial, not just Oakley but her mother and Jasper, too.

In The Long Silence, first published 2011, Stephan Merk described the standing Maya Puuc architecture of a 100 square kilometer wide area in Northern Campeche, México. The Long Silence (2) presents the results of the architectural survey of an equally large and almost untouched region immediately south, and compares the results of both projects. With additional contributions by Nicholas Dunning and Eric Weaver, Daniel Graña-Behrens, Guido Krempel, and Karl Herbert Mayer.

Justin Molina has secrets. He's served his time but remains a prisoner of his past, unable to forgive himself for failing his family when they needed him most. Justin's grief is overwhelming, but he keeps silent and focuses on his goals. About to graduate college, he tries to keep his head above water--no matter how many times life keeps knocking him down. When he's forced to register for a poetry-writing class, Justin discovers putting words to his feelings might be exactly what his fractured heart needs to heal. Or is it the older professor with the bow ties and gentle smile who gives him a chance when no one else will? Professor Foster Faraday Harding is a broken man. His divorce is final, and he's reverted back to the safety of his books. Even his poetry no longer brings him joy; he's sleepwalking through life. The raw emotion of Justin's poetry awakens Foster to desires he thought long buried in the ashes of his marriage. When he discovers Justin is struggling financially, Foster offers him a solution that benefits both of them. Soon it's Foster who's struggling with emotions he can't understand: Justin is his student. And a man. One crazy night years earlier doesn't mean anything. Foster is straight. After months of denying the growing attraction between them, an unexpected kiss changes everything. Justin and Foster are no longer only professor and student--they've become lovers, but the strain of hiding their relationship increases with each passing day. Words have the power not only to hurt but to heal the greatest pain. If Foster and Justin listen to what their hearts are saying, they might break through their silence and live their own love poems--together.

At a time in history when fear of 'the other' has become commonplace, The Broken Silence is a timely book that shows a glimpse in the timeline of how Islam has been marginalized in society. It examines the impacts of economic sanctions on vulnerable populations and opens with an important essay by the author's daughter, published in the Huffington Post, that paints a bleak picture of the human costs of years of international sanctions against Iraq, including the deaths of over half a million children as reported by the United Nations. Her argument that desperate young people are driven to commit heinous acts of terror not out of religious fervour but as misguided reactions to injustices, is to this day, little recognized by politicians or the media. This powerful memoir explores the human cost of sanctions and the author's tireless efforts over many years to promote awareness and activism to have those sanctions lifted. Mohammed Javed's childhood and youth experiences instilled in him a commitment to compassion and caring. As the founder of I.LEAD (Islam. Learn. Engage. Achieve. Develop.), Mr. Javed brought together numerous groups and organizations to hold conferences to explore the many questions facing Muslims in the National Capital Region and beyond. Earlier, while living in Halifax, he became a regularly published op-ed writer. He also helped motivate Svend Robinson, then a Member of Parliament, to embrace the cause of lifting sanctions, and wrote many letters to the prime minister, cabinet ministers and interested MPs. Told with frank clarity and rounded out with copies of letters, emails, and articles, The Broken Silence explores the real causes of terrorism and its remedies. It also seeks to help non-Muslims to better understand this ancient religion and calls out to Muslims to explore the real values of Islam and regain its true spirit. Above all, it is a call for all ethnicities and religions to work collectively for a more peaceful, compassionate, and caring world for our children and grandchildren. Many thanks to: Lubna Javed Shamsia Quraishi Bassam Javed For the insightful editing service they have rendered for this work.
