The Model Rules of Professional Conduct provides an up-to-date resource for information on legal ethics. Federal, state and local courts in all jurisdictions look to the Rules for guidance in solving lawyer malpractice cases, disciplinary actions, disqualification issues, sanctions questions and much more. In this volume, black-letter Rules of Professional Conduct are followed by numbered Comments that explain each Rule's purpose and provide suggestions for its practical application. The Rules will help you identify proper conduct in a variety of given situations, review those instances where discretionary action is possible, and define the nature of the relationship between you and your clients, colleagues and the courts.

A Guide to State Succession in International Investment Law provides a comprehensive analysis of State succession issues arising in the context of international investment law. The author examines whether a successor State is bound by the investment treaties and State contracts which the predecessor State had signed with other States and foreign investors before the date of succession. Actors who are called upon to apply rules of State succession in investment arbitration cases will find this book a valuable source of practical guidance with strong theoretical foundations.

Study Guide for Essentials of Economics is a valuable support tool for the student using Essentials of Economics. It provides several important features that contribute to a good course which cannot be included in the standard textbook, and if used correctly it will improve understanding of, and ability to apply, economic principles to everyday decision-making. The book contains self-test questions, problems and projects, and perspectives in economics. Topics covered in the text include economic approaches, tools of the economist, supply, demand, and the market process, and money and the banking system. An answer key is provided at the end of the book. This text is intended for students of economics.

Global Investigations Review's The Practitioner's Guide to Global Investigations covers what to do at every stage during the lifecycle of a corporate investigation - from discovery of the initial problem to conclusion and beyond. Using US and UK practice and procedure to illustrate, the guide tracks the development of a serious allegation (whether originating inside or outside a company) as it develops - looking at the key risks that arise and the challenges it poses, along with the opportunities that may exist for its resolution. It offers expert insight into fact-gathering (including document preservation and collection, and witness interviews); structuring the investigation (the complexities of cross-border privilege issues); and strategizing effectively to resolve cross-border probes and manage corporate reputation. Further content provides detailed comparable surveys of the relevant law and practice in 12 jurisdictions that build on many of the vital issues highlighted. It is practical guide for external and in house legal counsel, compliance officers and accounting practitioners wishing to benchmark their practice against leaders in the field. Edited by Judith Seddon, Eleanor Davison, Christopher J Morvillo, Michael Bowes QC and Luke Tolaini, the book has 47 chapters contributed by leading practitioners and firms across the world such as Baker & McKenzie LLP, Clifford Chance LLP, Skadden, Arps, Slate, Meagher & Flom LLP. "e;Global Investigations Review's The Practitioner's Guide to Global Investigations is the most comprehensive publication currently on the market in relation to cross-border, multifaceted corporate investigations. It does what it says on the tin - 'How does one conduct such an investigation? And what does one have in mind at various times?' - and it does it rather well."e; Tapan Debnath, Legal Counsel, Nokia
