Essentials of Corporate Finance by Ross, Westerfield, and Jordan is written to convey the most important concepts and principles of corporate finance at a level that is approachable for a wide audience. The authors retain their modern approach to finance, but have distilled the subject down to the essential topics in 18 chapters. They believe that understanding the “why” is just as important, if not more so, than understanding the “how,” especially in an introductory course.

This book is a celebration of ideas: how they happen and their sometimes unintended results. Johnson shows how simple scientific breakthroughs have driven other discoveries through the network of ideas and innovations that made each finding possible. He traces important inventions through ancient and contemporary history, unlocking tales of unsung heroes and radical revolutions that changed the world and the way we live in it

Focus on the financial concepts, skills, and technological applications that are critical for you in today's workplace with Ehrhardt/Brigham's CORPORATE FINANCE: A FOCUSED APPROACH 6E. Motivate your students to study finance by focusing on its five underlying principles. Foundations of Finance enables students to see the big picture by helping them understand the logic that drives finance rather than having them memorize formulas. The seventh edition now includes Cautionary Tales, a reordered presentation, and integration with Pearson's revolutionary online software, MyFinanceLab.

For undergraduate courses in Corporate Finance. The Five Key Principles for the Foundations of Finance Foundations of Finance retains its foundational approach to the key concepts of finance, bolstered by real-world vignettes, cases, and problem exercises. Utilizing five principles, which are presented at the beginning of the book and applied throughout, the authors introduce a multi-step approach to financial problem solving that appeals to readers' at all levels, math and numerical skills. As in previous editions, the Ninth Edition focuses on valuation and opens every chapter with a vignette based on financial decisions faced by contemporary, real-world companies and firms. Other highly useful features include mini cases, cautionary tales, lists of key terms, and a discussion of ethics. Revised and updated, the newest edition includes new lecture videos, financial thinking, user feedback, and lessons from the recent economic crisis. Also Available with MyFinanceLab™ MyFinanceLab is an online homework, tutorial, and assessment program designed to work with this text to engage students and improve results.
