English-ESL diagnostic-test-worksheets—Most downloaded ...

Diagnostic test. A diagnostic test is a test that helps the teacher and learners identify problems that they have with the language. At the start of the course, the teacher gives the learners a diagnostic test to see what areas of language need to be in the syllabus. Progress tests given during the course can also act as diagnostic tests as they help the teacher and learners identify what areas will be looked at next on the course.

The TV show House is all about diagnostic tests: it features illnesses that are unusual and hard to determine. But anything diagnostic is trying to figure out what's wrong. A writing test could be called diagnostic if it's trying to determine how good or bad your writing skills are. Start learning this word
