Black Skin, White Masks - Wikipedia

First published in English in 1968, Frantz Fanon's seminal text was immediately acclaimed as a classic of black liberationist writing. Fanon's descriptions of the feelings of inadequacy and dependence experienced by people of colour in a white world - the crippled colonial mentalities of the oppressed - are as salient and as compelling as ever.

Black Skin, White Masks - New Edition (Get Politic) -

Black Skins White Masks is a scary book. In it Fanon discusses the black man's experience in a white world; he ironically, and justly, creates an image of the world through a black lens, so to speak. "The N****r enslaved by his inferiority, the white man enslaved by his superiority alike behaves in accordance with a neurotic orientation."
