Finance is a critical part of everyone's life and ignoring it is just not an option. The book is very well written, with great insights and makes finance easy to understand even for a person from non-finance background. Highly recommended that everyone should read this book to get a perspective on finance as never thought or explained before.

Finance for Non Finance eBook: Thakkar, Vishal: Amazon.co ...

As the title suggests, this book is for readers from non finance background. Beyond savings and investing basics, it introduces readers to range of relevant concepts as fundamentals of financial statements, assets and liabilities, ratios analysis, etc. Written in everyday simple language with stories from day to day life along with self assessment exercises, I think Vishal Thakkar has done a great job.
