series and ended up liking much more than I thought I would. At 23 years old, Tommy Skylar is the youngest member of Station Five, and everyone treats him that way - not like a kid per se, but they're always watching out for him and in fact, they do call him "kid." He's a sweet, easy going Brad Pitt lookalike who gets along with everyone, so he's come across as kind of wimpy in the other books.

LODDS | Firehouse

A fire station (also called a fire house, fire hall, firemen's hall, or engine house) is a structure or other area for storing firefighting apparatus such as fire engines and related vehicles, personal protective equipment, fire hoses and other specialized equipment. Fire stations frequently contain working and living space for the firefighters and support staff.

Fire station - Wikipedia

For many years after the advent of the paid New York City Fire Department in 1865, numerous efforts were made by employees to organize into benevolent or fraternal associations. 1917. FF Albert Guinness formed the Uniformed Firemen's Association of the FDNY, which became Local 94 of the International Association of Firefighters the following year.
