Cousteau that is as magical as it is inspiring.

Examines the life and accomplishments of the French oceanographer, and describes his work studying and filming the undersea world.

Ted Williams hit .406 for the season in 1941? a feat not matched since. In this inspirational picture book, authentic sportswriting and rich, classic illustrations bring to life the truly spectacular story of the Red Sox legend, whose hard work and perseverance make him the perfect role model for baseball enthusiasts of all ages.

Sylvia Earle first lost her heart to the ocean as a young girl when she discovered the wonders of the Gulf of Mexico in her backyard. As an adult, she dives even deeper. Whether she's designing submersibles, swimming with the whales, or taking deep-water walks, Sylvia Earle has dedicated her life to learning more about what she calls "the blue heart of the planet." With stunningly detailed pictures of the wonders of the sea, *Life in the Ocean* tells the story of Sylvia's growing passion and how her ocean exploration and advocacy have made her known around the world. This picture book biography also includes an informative author's note that will motivate young environmentalists. *Life in the Ocean* is one of *The Washington Post's* Best Kids Books of 2012

Although a young starling chooses to read books when his cousins are learning to fly, the knowledge he acquires comes in handy when a hurricane threatens the flock's migration.

A boy rides a bicycle down a dusty road. But in his mind, he envisions himself traveling at a speed beyond imagining, on a beam of light. This brilliant mind will one day offer up some of the most revolutionary ideas ever conceived. From a boy endlessly fascinated by the wonders around him, Albert Einstein ultimately grows into a man of genius recognized the world over for profoundly illuminating our understanding of the universe. Jennifer Berne and Vladimir Radunsky invite the reader to travel along with Einstein on a journey full of curiosity, laughter, and scientific discovery. Parents and children alike will appreciate this moving story of the powerful difference imagination can make in any life.

The adventures of a boy and his dragon friend are recounted in this classic song from the 1960s.

Examines the life and accomplishments of undersea explorer, scientist, filmmaker, sailor, and inventor of the aqua-lung.
