Shareholder Rights: Seeking Emergency Relief Bankruptcy: Where do minority shareholders stand? Minority Shareholder Protection In Public Practice

Rather than being concerned to protect the company, a minority shareholder in such a position is usually more concerned to protect himself personally from the adverse consequences of being a shareholder in a company with a majority shareholder managing the company in his (the majority shareholder's) own best interests rather than for the benefit of all shareholders. The main procedure available to a shareholder to protect himself personally is to petition the court for a remedy pursuant to ...

MINORITY SHAREHOLDER PROTECTION

There is no definition of a minority member in the Companies Act 2006 (CA 2006). In practice, members of a company with a share capital will normally be minority members (or shareholders) if they hold less than 50% of the shares in a company that have voting rights attached, meaning that they cannot block ordinary resolutions that are proposed for approval.
