children's thriller
pentalogy written by Michael
Buckley and illustrated by
Ethen Beavers. The series
tells the story of a
fictional spy agency and its
agents—children who have
their "nerdy"
characteristics upgraded
into a tool that they can
use to fight crime. The
series includes five books,
each told from a different
agent's perspective, and an
animated feature film based
on the series is in
development at Elton John's
Rocket Pictures.
