The thrilling conclusion to the New York Times Bestselling Matched Trilogy! Perfect for fans of 1984, Brave New World, Black Mirror, and The Handmaid's Tale. Cassia's journey began with an error, a momentary glitch in the otherwise perfect façade of the Society. After crossing canyons to break free, she waits, silk and paper smuggled against her skin, ready for the final chapter. The wait is over. One young woman has raged against those who threaten to keep away what matters most—family, love, choice. Her revolution is about to explode into full-scale rebellion. As an incurable plague sweeps through the Society, Cassia races to save both the lives and freedom of those she loves. With exquisite prose, the emotionally gripping conclusion to the international—bestselling Matched trilogy returns Cassia, Ky, and Xander to the Society to save the one thing they have been denied for so long, the power to choose.

Cassia has always trusted the Society to make the right choices for her: what to read, what to watch, what to believe. So when Xander's face appears on-screen at her Matching ceremony, Cassia knows with complete certainty that he is her ideal mate . . . until she sees Ky Markham's face flash for an instant before the screen fades to black. The Society tells her it's a glitch, a rare malfunction, and that she should focus on the happy life she's destined to lead with Xander. But Cassia can't stop thinking about Ky, and as they slowly fall in love, Cassia begins to doubt the Society's infallibility and is faced with an impossible choice: between Xander and Ky, between the only life she's known and a path that no one else has dared to follow. Though the island appears uninhabited, the kids can't shake a feeling that something about it is definitely not right. Their suspicions grow when they stumble upon an abandoned houseboat filled with all sorts of curiosities: odd-looking weapons, unnerving portraits, maps to unknown places, and a glass jar containing something completely unidentifiable. And in its lowest depths churns a dark, deep secret. As the group delves deeper into this mysterious new clubhouse, their lives begin to intertwine in weird and dangerous ways. For something ancient has awakened . . . and it can detect not only their wishes and dreams, but also their darkest, most terrible imaginings. Do they have what it takes to face the shadowy secrets lurking within their own hearts? Told from alternating points of view, this pulse-racing tale from bestselling duo Ally Condie and Brendan Reichs is the start of a high-stakes, thrilling series about friendship and believing in yourself--and each other.
