The Hidden Wound Wendell Berry

Written in Wendell Berry's trademark graceful style, The
Hidden Wound is an essay about racism in America and the
damage it has done to the country. Through Berry's personal
experiences, he explains how remaining passive in the face
of racism further corrodes America's potential.

Wendell Berry's *The Hidden Wound* turns 50. It is an ... "The Hidden Wound" by Wendell Berry is an essay that was penned during the turbulence of the civil rights unrests from 1968-1969. Berry here sets his own thoughts and experiences to the pen, and all the insights of his agrarian perspective and characteristically incisive prose reveal a depth of wisdom and understanding underlying this sensitive topic that few other writers are able to achieve.

The Hidden Wound by Wendell Berry - Goodreads

In 1968, Wendell Berry wrote *The Hidden Wound* — a fascinating look at U.S. racism and its connection to land and work from this incredible environmentalist who grew up in a family that still remembered owning slaves. I've been trying to get my head around the way that the current terrifying onslaught of policies of hate and fear are so closely tied to Christianity — and yes I know Crusades and witch burnings and pogroms and the Inquisition and

The Hidden Wound - Wendell Berry - Google Books
One of the most touching and true personal testaments concerned with our country's racial dilemma. Poet, writer and cultural critic Wendell Berry confronts the facts, the origins, and the results of a white Kentuckian's attitude toward black people. In the process, he has much to say to all people about the human condition.
